The Seniors of 1951 dedicate this *Oracle* to Mr. J. Leonard Davis, our English teacher and advisor to the *Oracle* Staff. Mr. Davis is close to every Senior because of his untiring work with us on our various Senior projects. His efforts on our behalf have helped us experience the thrill we have always anticipated from the phrase "We are Seniors."

We are happy to have this opportunity to give formal recognition to a person who has worked energetically behind the scenes.

MISS DUTRO

Miss Ruth Dutro, who has sponsored the Class of '51 for the past six years, is known to all of us as a person who is never to busy to take time out to help us out with personal problems.

The Senior Class would like to take this opportunity to express its gratitude and appreciation to Miss Dutro for all of the time and effort she has expended in helping to organize the class meetings, fun nights, the senior trip, and, last but not least, the graduation exercises, all of which have meant a great deal to us.

Y-TEENS

The Y-Teens have spent an interesting and profitable year under the direction of Barbara Orr, president, and Miss Dutro, sponsor. FUTURE TEACHERS OF AMERICA

F.T.A. projects itself into the future by direct class room experience. Meeting weekly with an elementary teacher, the members this year discussed actual problems with school children. They also served as guides for Elementary Education Day and Conventions held at Ball State. Traveling to other Indiana High Schools, the Burris James Whitcomb Riley Club of Future Teachers of America helped in the establishment of other chapters. Carolyn Dunkin serves as president, and Miss Wood as sponsor.

BOOKSTORE

One of the mony making projects of the Junior Class is supplying the pencils, paper, notebooks and the other necessities for school work through the Bookstore. During the first six weeks of school the Seniors had this job, taking over until activities and school work got well under way.

SAFETY PATROL AND SAFETY COUNCIL

Rain, snow, sleet or sunshine find the Burris Safety Patrol Boys at their duties to keep our school-ground and traffic problems well in hand. These boys from the 5th, 6th, and 7th grades work with the Safety Council, a student group which tries cases of violation of school safety laws.

FRENCH AND SPANISH CLUBS

Climaxing the years' activities for both language clubs, sponsored by Miss Wood, was the Mardi Gras, held in February. It was authentic in costume, floats, and the crowning of Rex Rudicel as King Rex and Miss Lucille Knotts as Queen of Mardi Gras.

HALLOWEEN PARTY

"The Mummy's Hand," the most terrifying movie ever to be seen, put the finishing spooky touch to Sleepy Hollow and all the side shows that made the annual Halloween Party such a success. The pictures on this page are all taken in Sleepy Hollow, a yearly highlight of the Burris Spooktime celebration.

RECEPTION

On March 16th an impressive candlelight dinner, beautifully arranged by Eddie Perry, was served to the members of the Junior and Senior classes. After the clever, well-chosen words of the toastmaster, Paul Miller, the Will and Prophecy were given in the auditorium, and then the dance, "Stairway to the Stars," with music by Allen Hoff, was held in Recital Hall.

CHEERING BLOCK

The cheering block, with a membership of ninety girls, was present at all the home basketball games to cheer the team on. They also traveled to Elwood for our last out of town game. The block gave a special Christmas program, which carried out the idea of a lighted Christmas tree.

With the aid of Miss Sexton and the cheer leaders, the block remains one of the best in the state.

JUNIOR AND SENIOR ORCHESTRA

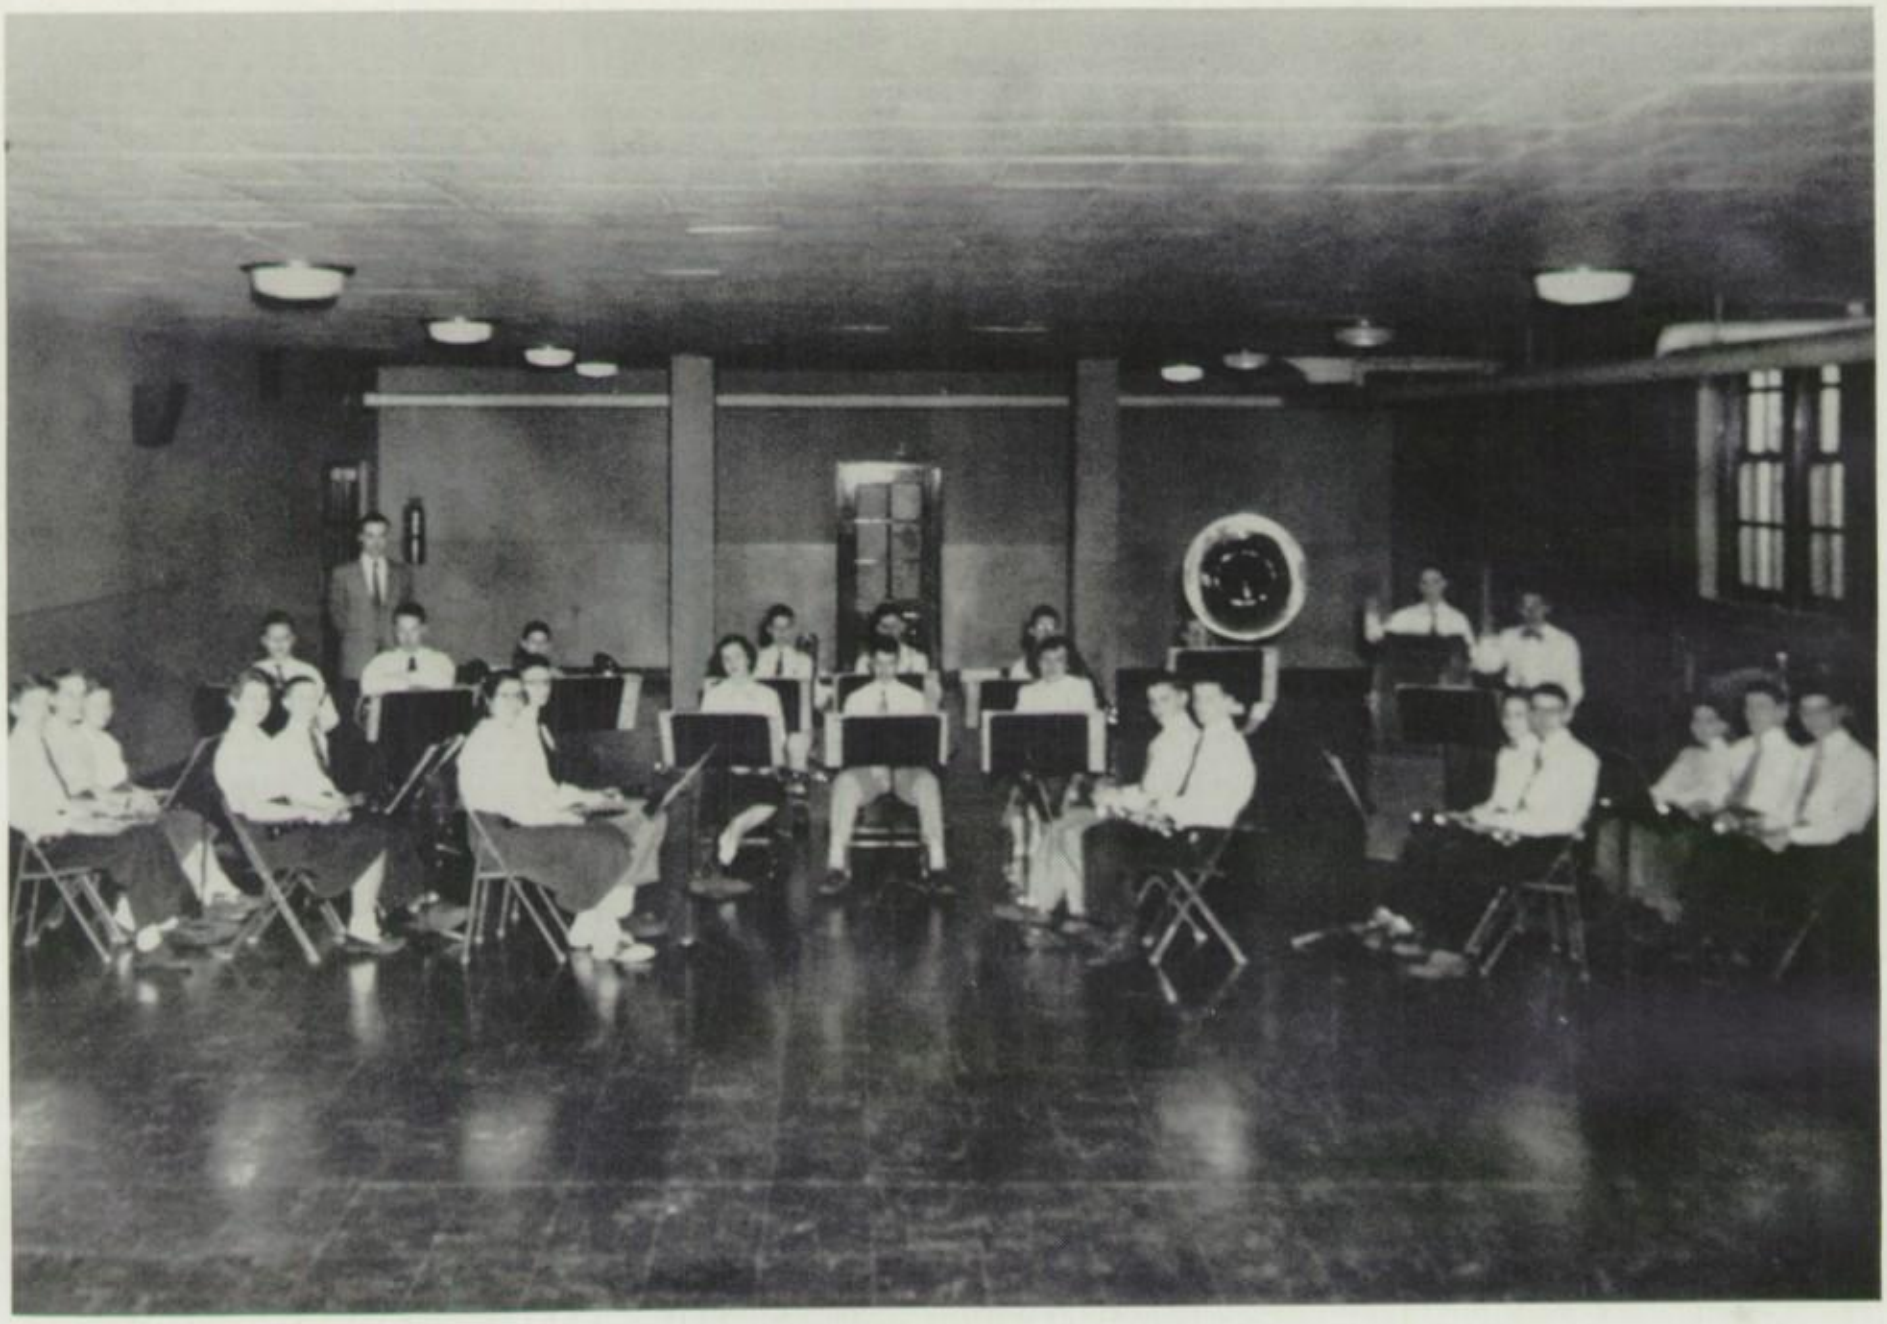
Director
Miss Helen Masha

The Junior orchestra consists of members from grades three through seven. The Senior orchestra consists of grades seven through twelve. The membership of these two groups is seventy-four.

Both groups have participated in several convocations, and will have selections in the Spring Concert.

Students from these orchestras attended the state music contest.

JUNIOR AND SENIOR ORCHESTRA



BAND

Conductor
Mr. Richard Dunham

Activities of the Burris Band included playing at the basketball games, at Commencement, and the Spring Concert.

Several members of the band attended the state music contest.

ART DEPARTMENT

The art department is one of the larger departments in the building. They have many materials and facilities which go to make it one of the best places for learning and appreciating art.

Projects of the three departments within the arts area have been worthwhile to the school. The marionnette show which everyone enjoyed so much in February was produced under the cooperative efforts of all three departments.

CROSS COUNTRY

The Burris Cross Country team, coached by Errol G. Myers, had the most successful season in its history this year. This year's team won over Indianapolis Tech, Howe, and Shortridge, Muncie Central, and Richmond. In the Conference, out of the first five runners to finish, all were from Burris; and the other two Burris runners took eighth and ninth places. In the Sectional, Burris was third, and at the State Burris finished fourth.

The prospects for next year's Cross Country look very good, although four Seniors will be lost.

BASEBALL

This is the first year Burris has had a baseball team. They participated in the newly inaugurated Delaware County High School summer baseball program. Rex Rudicel coached the Owls this summer and had a very successful season, winning fifteen and losing four. Next year the Owls should have another successful season, although they will lose several Seniors.

BASKETBALL

The four basketball teams which represent Burris had a very good year. The Eighth and Ninth Grade teams, coached by Mr. Mannis and Mr. Serdula respectively, have developed skill and experience which will be valuable to future Owl Varsities.

The Owlets had both a good team and an excellent season this year. Clayton Henry coached these boys to victory every game except one. You may be sure they will do their utmost to maintain such a record.

The Golden Owls from Burris came through the season with fifteen wins and five losses. They overcame their first two opponents in the Sectional, but were defeated in their third game. The team will lose some hard working Seniors, but Coach Rex Rudicel has high hopes for next year's team.

SWIMMING

The Burris Swimming Team which was coached by "Papa" Jim Petersen, got off to a slow start, but came through very well in the State Meet held at Purdue University, placing fifth. This year's Swimming Team consisted of five Seniors; the bulk of the underclassmen were Sophomores.

TRACK

The Track Team this year retained four veterans, and it looks as if the team will have a good season. This year's team should be strong in the distance runs, the hurdles, and the quarter-mile. Burris will have its hardest time in the field events. Errol G. Meyers did a fine job of coaching the team along. The 1951 season was as follows:

April 13	Royerton
April 18	Richmond
April 21	Goshen-Muncie Relays
April 28	Delphi Relays
May 3	Conference (at Peru)
May 11	Sectional
May 19	Regional
